This breakfast meeting was held at the Le Peep restaurant in Boulder. The principle purpose was to thank the current members for their dedication and service on the Pastoral Council over these past years; as the parish is now establishing a new Council membership due to the parish restructuring endeavor.

The meeting started at 8:50 am, led by Neil Schiffhauer

1. Opening prayer led by Father Bill
2. Minutes were approved from June meeting
3. Father Bill provided an update on the strategy and progress of the Parish Re-organization relative to the new Finance Council, the new School Advisory Council, the remarkable response to the call for volunteers who will continue the work of the paid parish staff who were let go. The new Pastoral Council would carry on the advisory efforts of the "Trusted Advisory Group" (TAG), as that group was disbanding, and would be charged with making the parish thrive.
4. Closing Prayer – Father Bill

The first meeting of the new Pastoral Council will be in Jubilee Hall on October 10, 2008 at 8:00 AM.
