- 3-4. **Church/Finance Update**-deferred by Michelle Anderson to Father Bill-
  - TAG team has been working on the sustainability of the Parish and will be presenting the results via a power point presentation at several Town Hall meetings scheduled for this week.
  - A handout with talking points was reviewed.
  - Joel Daly has been asked to head up the Finance Council (and was also a member of the TAG team).
  - We have had paid professionals running the ministries of the parish and we can no longer afford that, therefore, it will be up to the members of the parish to decide what ministries to keep by their willingness to volunteer. A new position of Volunteer Coordinator has been created and will need to be filled. We have had roughly 1000 families re-registered and the volunteer data base is now complete. We will be working off of this list to keep the ministries going.
  - The make-up of the Parish Council will need to be adjusted to include the new volunteer coordinator as well as Joel Daly, Finance Council Chair.
  - The Archdiocese will be involved with the changes being made
  - The last day for the employees will be June 30<sup>th</sup>.
  - Our budget is being evaluated and adjusted with significant changes being made
- 5-6. **School/Mayfair Update**-Jan Altevogt –
  - Current enrollment is 308 (which is up from the same time last year)
  - Confirmation is tonight
  - Graduation is May 20<sup>th</sup>
  - Mayfair is this Friday, May 2. 290 raffle tickets for the Acadia have been sold so far and it was suggested that an announcement be made at daily mass regarding the ticket sales.
