Requirements for obtaining SHJ Affiliated Catholic Tuition Rate:

- 1) Family has been registered in the SHJ Parish for **at least 6 months**. New families may present a letter from their former Archdiocese of Denver Parish.
- 2) Family verifiably **contributes on a regular basis** to the financial support of the Parish through the use of tithing envelopes.
- 3) Family **attends Mass regularly** and is involved in the activities, organizations, or programs at the Parish.

The above criteria demonstrate that the family actively practices their faith through stewardship of time, talent, and treasure to our Parish.

Requirements for obtaining Affiliated Catholic (those who attend another Archdiocese of Denver parish) tuition rate: Present a Parish Affiliation form signed by your Pastor, which indicates your Parish will pay the inter-parish subsidy to SHJ. Inter-parish subsidies are paid to SHJ from Catholic parishes if they do not have a parish school and parishioner children attend SHJ.

Note: If your Parish refuses to pay the Inter-parish subsidy amount, you will be responsible for the non-affiliated Catholic tuition rate (other).
